

Mel Penny

Mel Penny is a British spanking actress, active in the 1990s. Tall and fair-haired, with blue-grey eyes, she came to prominence as a glamour model around 1988. *Mayfair*, *Escort*, *Fiesta*, and *Men Only* were among the bestselling men's magazines that published her photo-sets, along with more specialised titles, such as *Juggs*, *Big Ones*, and *Bounce*. A distinctive feature was her habit of posing with a serious or even challenging facial expression.

Mel Penny's appearances in spanking magazines include a switch set in *Roue 72* (1988) and 'Test of Obedience' in *Janus 106* (1995). On video, she played first spankee, then switch, and then spanker roles. Although her output was not large, as a confident and articulate actress, Mel Penny was highly regarded on the British spanking scene. She retired in 2001.
