Dreams of Spanking

Blake has recently created her own production company called Dreams of Spanking. The company website describes its products as "high-quality, aesthetically beautiful spanking films, photo galleries and audio stories which please the senses and excite the imagination."

The videos and audio stories feature traditional English punishment scenarios, severe caning, historical storylines, edgy fantasies, romance, drama, dominance, and submission. Gender pairings include F/F, M/F, F/M and M/M. Some titles combine two or three pairings in the same story.

Blake performs in most of the videos in either spanker or spankee roles. Other notable actors who make regular appearances include Caroline Grey, Amelia Jane Rutherford, Adele Haze and Miss (Clara) Matthews/Hewitt.

She also appears in the short documentary film *Kink* (2019), about the censorship of fetish-related content in the U.K. (trailer (<https://www.youtube.com/watch?v=BuOvxukXeKM>)).
