

Sarah Harvey Lewis

Sarah Harvey Lewis (1963-2018), also known as Sally, was a British spanking actress, active in the 1990s and 2000s. A green-eyed brunette from the south east of England, she made her debut in 1997 playing spankee roles for Red Stripe under the direction of Ivor Gold. Subsequently, working for Top Marks and Strictly English, she also sometimes acted as a switch or spanker.

Sarah's relatively slender bottom was untypical of the genre and she did not appear in spanking magazines except for film stills in *Kane*. Her naturalness and sincerity in front of the video camera nevertheless made her a stalwart of British spanking cinema for over a decade. Her six Red Stripe titles continue to be highly regarded and memorable later roles include Sally in *The Games Schoolgirls Play* and Aunt Elizabeth in *Rosaleen's Diary*.
